Case #2025-00016197

Miscellaneous Incident

04/16/2025

On 04/16/2025 at 1139 hours I, Officer S. Tyner, was dispatched to 600 N. Giant City Road (Choices) in regards to protestors placing signs on the City easement.

Upon arriving I met with BNS Supervisor, John Lenzini, he informed me he had been sent to the location to enforce a city ordinance violation. He told me he had engaged with the protestors and stated two of them had complied with his request to remove the signs. Lenzini said two of the protestors, identified as Brandon and Jared were disagreeing that the signs were a violation of the ordinance. I briefly spoke to both Brandon and Jared and informed them Sgt. M. Murray was responding to the scene.

Once Sgt. Murray arrived on scene, he contacted City Attorney, Jamie Snyder. Sgt. Murray explained the situation to Snyder and he informed Sgt. Murray which ordinances were being violated. Snyder sent Sgt. Murray a copy of the ordinance that he said was being violated. Sgt. Murray then showed the section to Brandon but he continued to disagree that the signs were in violation. Brandon was informed that he could remove the signs from the City property. He was informed that he could carry the signs and continue to protest the establishment. Brandon was asked several times to remove the signs to avoid facing enforcement action. Sgt. Murray took photographs of the signs to be uploaded to Axon.

Incident

04-16-25 1139 Hours

On 04-16-25 at about 1139 hours, I (Sgt. Murray) responded to Choices, 600 N. Giant City Rd. for protesters posting signs on the easement. I arrived and spoke to Ptl. Tyner about what he had learned prior to my arrival. A male protester (Brandon) posted some signs on the easement and refused to move them. BNS Supervisor John Lenzini was also present at the scene. The ordinance prohibiting signs on City property was explained to Brandon and the other male with him (Jared).

I spoke to both individuals and explained what the City ordinance prohibits. Brandon believed that his sign placement or actions were allowed under a separate provision of a City ordinance he believed contradicted the prohibition. I called the City Attorney, Jamie Snyder, for guidance. Mr. Snyder explained the ordinance to me and sent a copy of the ordinance prohibiting such actions. Signs are allowed to be carried on your person but not placed on/in City property. I showed it to Brandon and allowed him to read/photograph what I received.

Lt. Lattan came to the scene. After speaking to both Brandon and Jared for several minutes, the ultimatum was given by all City employees present that the signs needed to be removed or a citation would be issued. These warnings occurred multiple times throughout the encounter.

Brandon contacted his attorney by phone. His attorney advised him to remove the signs to avoid being cited/arrested. He agreed to remove the signs. I photographed the signs and later uploaded them to Axon.

I viewed some of my body worn camera footage prior to writing this report two week later.

Nothing further at this time.

Misc. Incident

5/23/2025

Lt. T. Lattan

On 5-16-2025 at around 1203 hrs. I, Lt. Lattan, responded to 600 N. Giant City Rd. (Choices) in reference to protestors posting signage on public property (easement). I arrived and met with Sgt. M. Murray, Ptlm. S. Tyner and Community Development Manager John Lenzini.

Both Sgt. Murray and I had previously spoken with City Attorney (CA) Jamie Snyder who explained city ordinance prohibits individuals from posting or erecting signs on property belonging to the city.

I spoke with two white male's who said their names were Brandon and Jared. I explained to them the city ordinance as it was explained to me by CA Snyder. I explained I preferred voluntary compliance by removal the signs from the ground as opposed to taking enforcement action by way of issuing a city ordinance citation.

Brandon requested I speak on the phone with an unidentified female who stated she was acting in the capacity as his attorney. I explained to her if we were to receive voluntary compliance, I did not see a reason for a citation to be issued. The unidentified female told me she was advising Jared to remove the signs from the ground. I provided her my named and employee identification number at her request.

The signs were removed from the ground and I left the scene.

I have nothing further to report at this time.
